

*The 13<sup>th</sup> Annual  
Lighting of the  
Lawn*

*Presented by  
The Class of 2014 Trustees*

## *Thank You for Joining Us!*

On behalf of the Class of 2014 Trustees and the Lighting of the Lawn Committee, we are honored to welcome you to the thirteenth annual Lighting of the Lawn! Here at the University of Virginia, students, faculty, and the Charlottesville Community come together at the center of Mr. Jefferson's Academical Village to celebrate this exceptional tradition.

The Lighting of the Lawn tradition began in 2001 to bring the University community together after the tragedies of September 11, 2001. Since then, the event has evolved into one of our favorite traditions, serving as a remembrance of the importance of goodwill and compassion for others.

In the spirit of the end of the semester and the beginning of the Holiday season, Happy Lighting!

## *Wounded Warrior Project*

All donations for the 2013 Lighting of the Lawn benefit the Wounded Warrior Project, an organization dedicated to honor and empower Wounded Warriors. The program serves veterans and service members who incurred a physical or mental injury, illness, or wound, co-incident to their military service on or after September 11, 2001 and their families. With a variety of programs and services, the Wounded Warrior Project is equipped to serve warriors with every type of injury – from the physical to the invisible wounds of war.
